

ANTHONY GRECH

Born in 1986, Anthony Grech was raised in Xewkija, Gozo. He received his primary education at Xewkija Primary School and secondary education at the Sacred Heart Seminary in Victoria, Gozo. He furthered his studies at the University of Malta from where he graduated as a teacher of Maltese and History in 2008. Recently he has been teaching in different secondary schools in Malta.

At the age of eighteen in 2004, Anthony started developing his passion for photography. Throughout the years he studied photography and developed a keen artistic eye, attracting widespread attention.

Anthony Grech is a former member of the Malta Institute of Professional Photography (MIPP) and co-founder of the Gozo Photography Association (GPA). During these years, Anthony Grech has set up and also taken part in different local and international photographic exhibitions. Apart from this, his documentative and artistic photographs are often used in various publications and websites.
